STORY

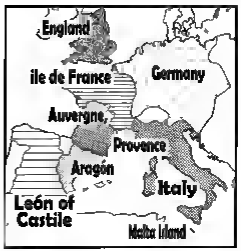
Mid 16th century – Malta the island in the middle of the Mediterranean. The Knights of St John defended against Ottoman Turkey as well as protected the Christian naval defence line. They controlled the fate of all of Europe. Aciel is the first female Knight since the establishment of the Knight of St John. Even the older Knights who originally opposed her position have been inspired by Aciel's sword skills and spirit, and happily welcome her into the group. One day Aciel saw some conflict between two branches, and abruptly joined them in a combined practice of running a 50 kilometres marathon. With her goal of becoming the strongest even at the cost of her own life Aciel magnificently finished first in the marathon. Seeing Aciel's limit-pushing attitude have the highly-praised branch commanders fully become Aciel's slaves?



Birthplace of the Eight Branches

* The most inspirational things in London are — the honest taxi drivers! I don't mean mean their service but rather their morals. Because the London Taxi Association strictly forbids taxi drivers to take the long way around, they must dutifully use the shortest distance to deliver the customer to their destination.
"So different form Italian taxi drivers, as expected from a gentleman's country." This little thought became the base for Augustine's personality. ♡

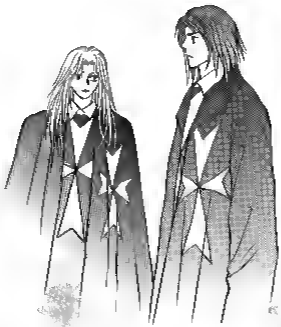
Is Ciel-sama telling the heart-felt truth?!
Ah! So lifeless!
Ciel..
Ciel, hey!
Where are you?
I got a bad feeling
I always tell the heart-felt truth!

Young or old
Everyone has their only beauty and are so delicate.
If I was a man, I would fall for that.
All the girls working in this building are like
Charming smiles for everyone.
きゃあああ
SFX SQUEALS
Ah, my heart is beating like crazy even though I'm already 60 years old!
Can't take it, too charming!
If it's Aciel-sama it's fine even if it's a girl!
Take it all Aciel-sama!
SFX GRAB
What...? Lucas
Let's go, Aciel, time for work!
Leader told us to hurry to the castle! Quickly!
Does she like women?
Being surrounded by those maids so early in the morning
What is that guy doing...?!
SPEECHLESS

Lucas, why...
are you mad?
...
I'm not mad, I'm just confused.
TROTTING
Why?
You're asking me why...because I saw your weird interests.
TROTTING
Interest?
You don't really like girls, right?
Because praising women is a courtesy essential to Knights, right?
...
My father also said I have potential.
Why silence
My personality is a lot like my father's.
There's another one of this type of guy in the world...
murmur

He must be living an excellent life in heaven!
Provence's best in intelligence and sword-fighting,
A slim figure, unforgettable grey eyes and a head of beautiful silver hair,
father must have been in the fantasies of many ladies
When?
Three years ago, when I was 15 years old.
Was it due to an illness?
Yeah
Your father has passed away?
He was killed on the sea,
by Ottoman Turkish pirates.

My interest right now is to kill enemies on the battlefield.



It reminds me that I only look at things on the surface

What Aciel said on our first meeting

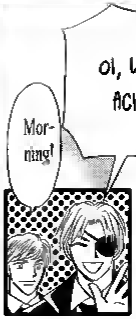
I still remember it.

I didn't notice the scar on the depths of Aciel's heart then,

scene. 4
Beginning to Move

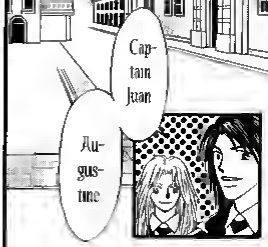
The Knights' leader's abode

I had to run 50km all of a sudden yesterday, and didn't speak directly to the branch commanders,
BATHUMP
conquering pirates!
There'll be a chance. For sure.
Ah, don't worry, next time!



Ariel is strong with a firm spirit,

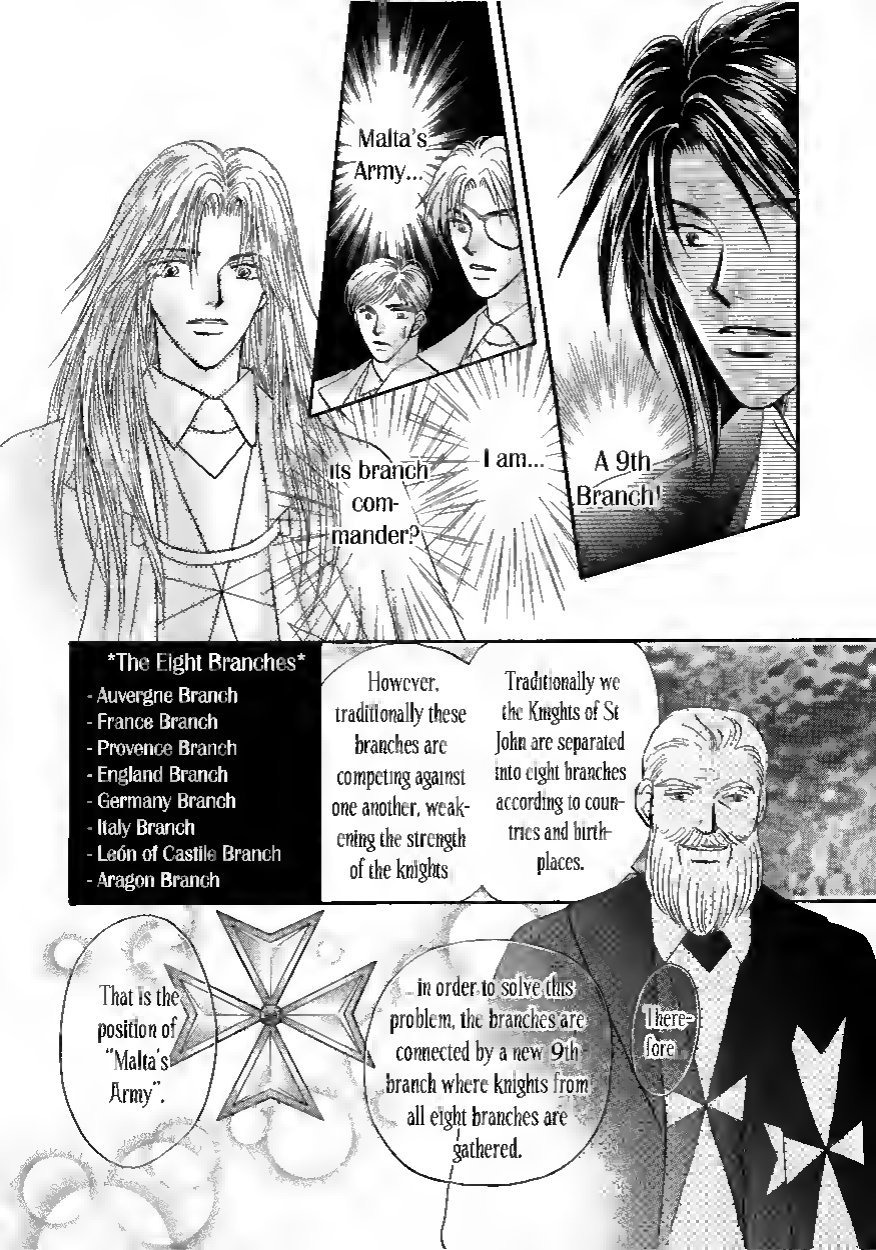
if she waits too long, this guy might take a ship out to sea by herself...



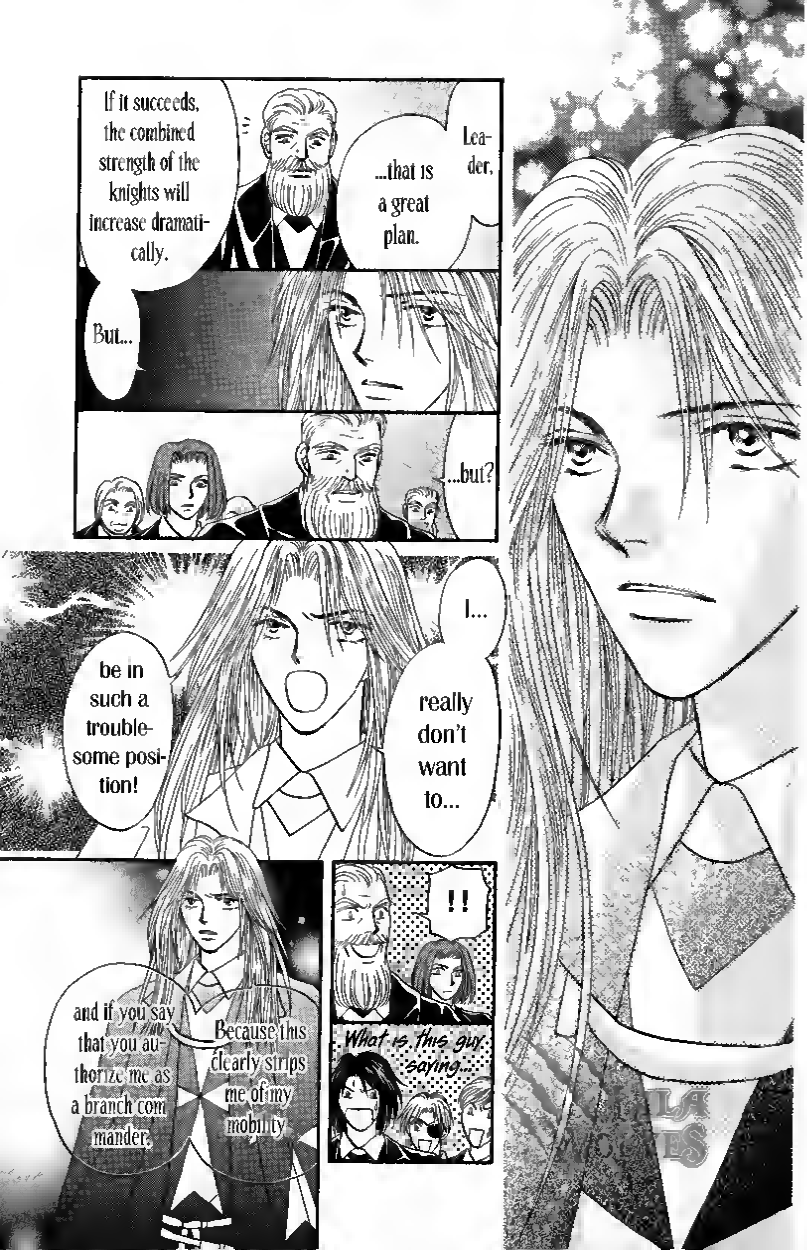
All four of you are here
Let's quickly begin, come in.
Not only the Knights' leader,
branch commanders of all eight branches are here?
What is going on?

Aciel!
Can I have a bit of time before that?
Eh?
I've already explained the details to each branch commander and obtained their understanding.
So I think it's almost time.
to discuss my new plan with you.
I'm so touched
Yesterday's match...
was beautifully won.
Branch commander Daniel
Yes.
You're too kind
the excitement I felt when you pulled away first from the crowd...
Ah, Daniel-sama...
The 50km marathon in which the male knights dropped out one by one
YOUR KNIGHT SPIRIT IS RESPECTABLE!
WE ALSO SAW YOU, ACIEL!
WANTS TO TAKE ALL THE CREDIT!
Ah, ahem!
Almost time to focus on the main topic, okay?
Accidentally starting chatting
Ah excuse us
As if she was your...
You look very happy, Augustine.
Aciel is popular!
Yesterday they were still trying to kick Aciel out...
Changed so rapidly
Hah...
We have great expectations of you Aciel!
You were the same as when we were young...
Ah... the recent young knights slowly lost this aura

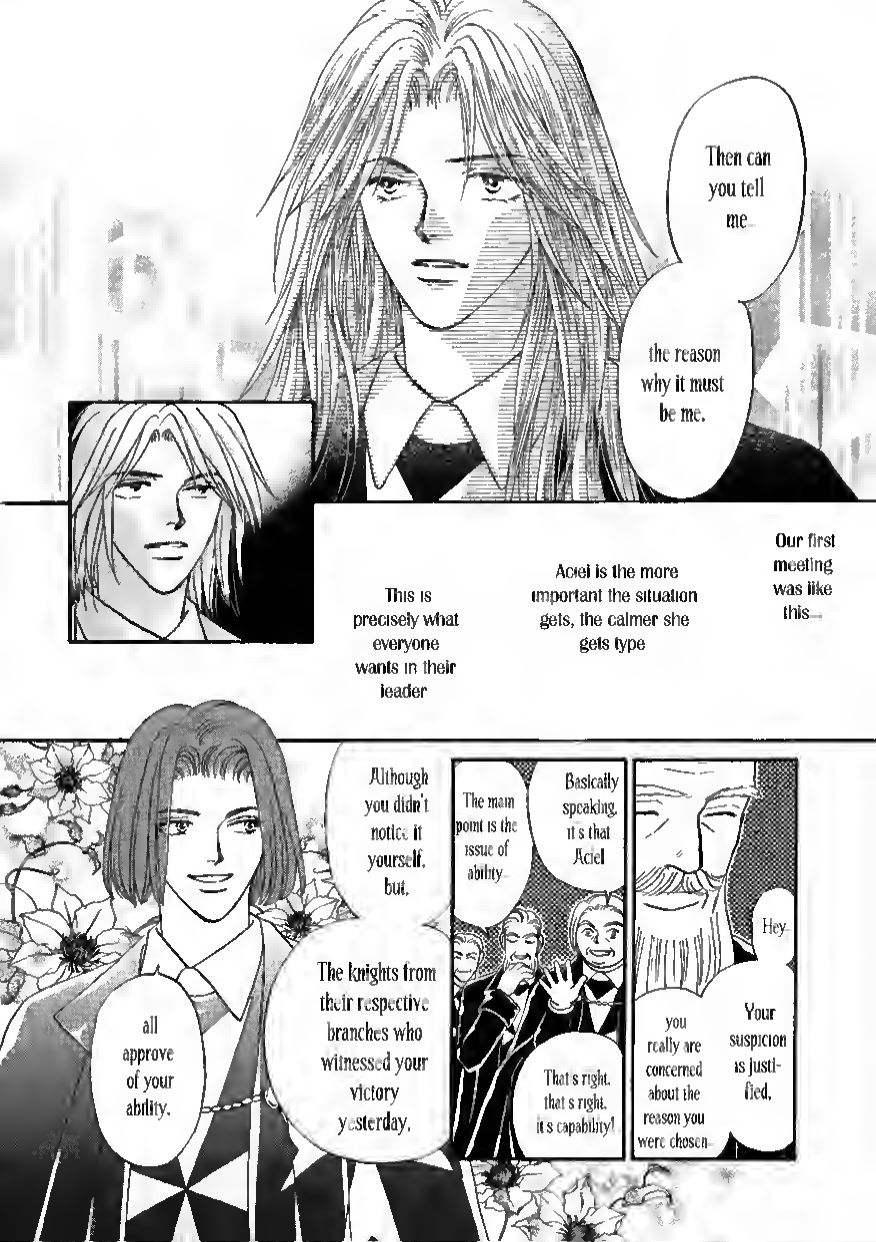
Aciel Joan de Fredwill!
Yes, leader.
I authorize you as the branch commander of...
the newly formed 9th branch, also known as "Malta's Army".



Malta's Army...
its branch commander?
I am...
A 9th Branch!
The Eight Branches
- Auvergne Branch
- France Branch
- Provence Branch
- England Branch
- Germany Branch
- Italy Branch
- León of Castile Branch
- Aragon Branch
However, traditionally these branches are competing against one another, weakening the strength of the knights
Traditionally we the Knights of St John are separated into eight branches according to countries and birthplaces.
That is the position of "Malta's Army".
...in order to solve this problem, the branches are connected by a new 9th branch where knights from all eight branches are gathered.
Therefore



If it succeeds, the combined strength of the knights will increase dramatically.
...that is a great plan.
Leader,
But...
...but?
I...
really don't want to...
be in such a troublesome position!
!!
What is this guy saying...
Because this clearly strips me of my mobility
and if you say that you authorize me as a branch commander,



Then can you tell me...
the reason why it must be me.
This is precisely what everyone wants in their leader
Aciel is the more important the situation gets, the calmer she gets type
Our first meeting was like this...
Although you didn't notice it yourself, but,
all approve of your ability.
The knights from their respective branches who witnessed your victory yesterday,
The main point is the issue of ability...
Basically speaking, it's that Aciel
That's right. that's right. it's capability!
Hey
Your suspicion is justified.
you really are concerned about the reason you were chosen...

You have a charisma that can overcome boundaries and captivate everyone.
Need I explain that it is your superb leadership ability?
It fills people with hope.
Hope that it will become the driving force of the organization.
If a leader can provide that hope, it will be a great feat
The need for this 9th branch was raised twenty years ago...
by a genius knight who has now passed away.. he made plans advanced for his time
But this plan was not completed, even with his capabilities and genius.

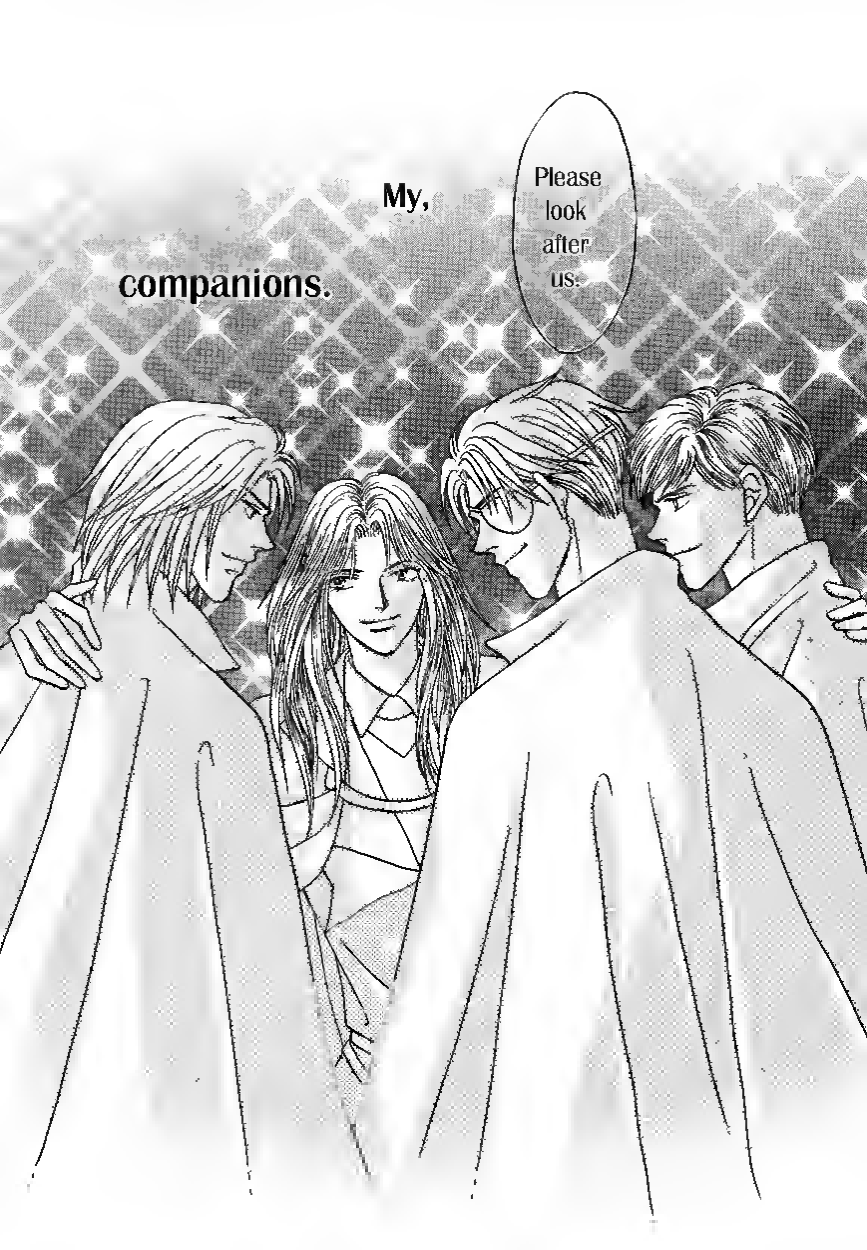
This plan can only be continued by you, who is of Albert's bloodline,
because this is destiny!
The one behind the "Malta Army" idea was Albert Joan de Fredwill,
your father.
Father...

I understand
HEH
the mood is shifting...
First time that,
Ah...
I...
...valiantly accept this post.

Aciel...
What will your future be like?
smiling
That's right...
Lea-der.
...
because of this matter?
You also summoned the three of us.
Captain Juan
What is it? Don Juan?
What the heck is that?
and Euro-pe's most just student manager.
Europe's top pirate capturer,
Europe's famous top doctor,

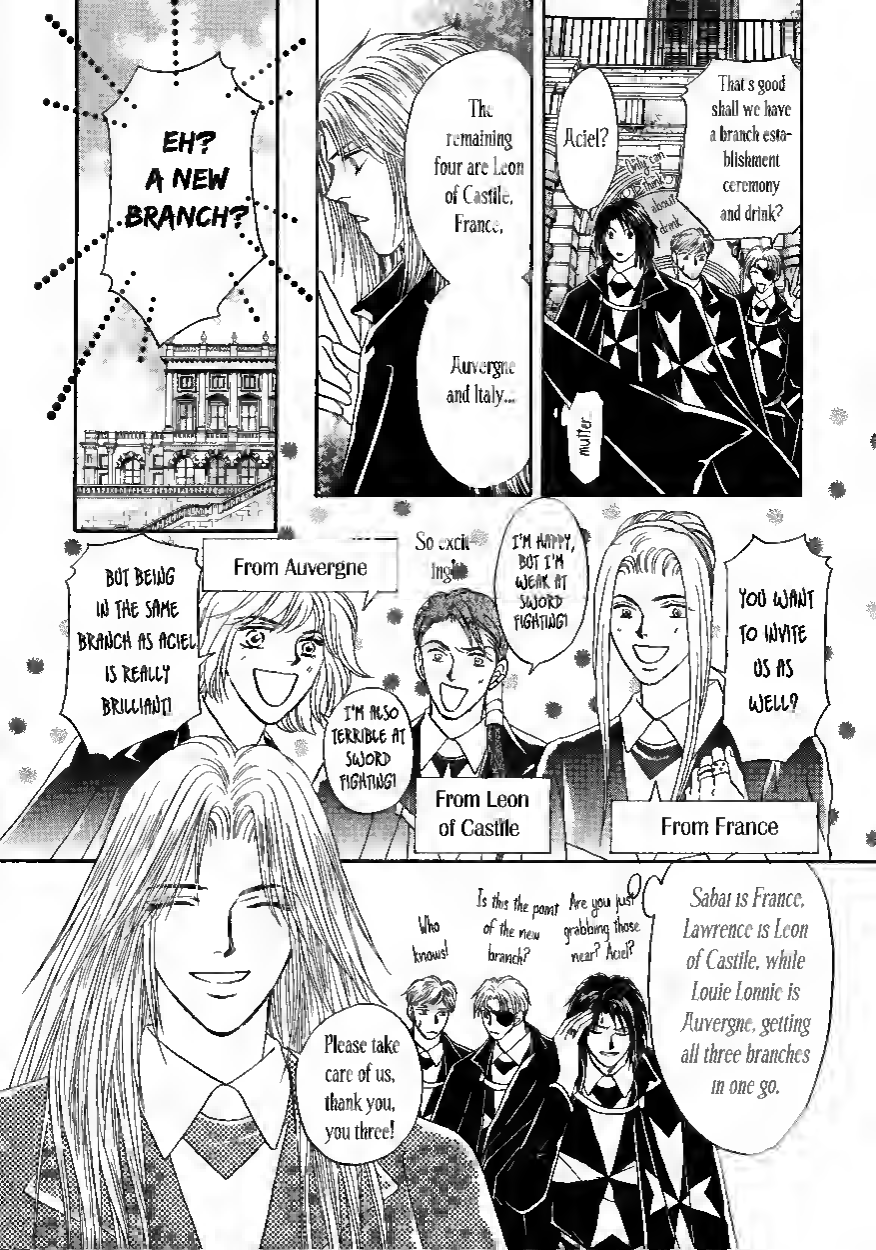
Just as expected from Don Juan, what sharp observations!
Starting from today, the three of you belong to the 9th branch.
Please, support Ariel together,
thanks.
WHOOSH

...accept this post.
We valiantly.
Our branch com-mander.
LILA WOLVES



My,
companions.
Please look after us.

Okay, then... now your mission,
and gather Knights from all eight branches.
is to establish your branch dorm.
Basically you have to live together
Branch commander Aciel is from Provence,
Augustine is from England
Don Juan is from Aragón,
Lucas is from Germany.
What's left is a Knight from the branches Italy, France, Leon of Castile and Auvergne.
Okay, the ideal is to gather an elite branch, but the goal right now is to get the branch running as soon as possible.
We'll pray for your hard work,
Aciel.



EH? A NEW BRANCH?
The remaining four are Leon of Castile, France, Auvergne and Italy...
Aciel?
That's good shall we have a branch establishment ceremony and drink?
mutter
From Auvergne
BUT BEING IN THE SAME BRANCH AS ACIEL IS REALLY BRILLIANT!
So excit ingly
I'M ALSO TERRIBLE AT SWORD FIGHTING!
I'M HAPPY, BUT I'M WEAK AT SWORD FIGHTING!
YOU WANT TO INVITE US AS WELL?
From Leon of Castile
From France
Who knows!
Is this the point of the new branch?
Are you just grabbing those near? Aciel?
Sabat is France, Lawrence is Leon of Castile, while Louie Lonnie is Auvergne, getting all three branches in one go.
Please take care of us, thank you, you three!

Then we should look for houses to rent...
There shouldn't be any plans for reconstructing a building, yeah?
We should also think a bit about the branch dorm, right?
Remaining is...
Next...
Who's going to move?
What are you talking about? I like it here.
EH?!
I just became friends with the workers here.
Besides, aren't there still heaps of rooms in this house?
Lucas?
Isn't it okay?
I planned to use this as a branch dorm to begin with.

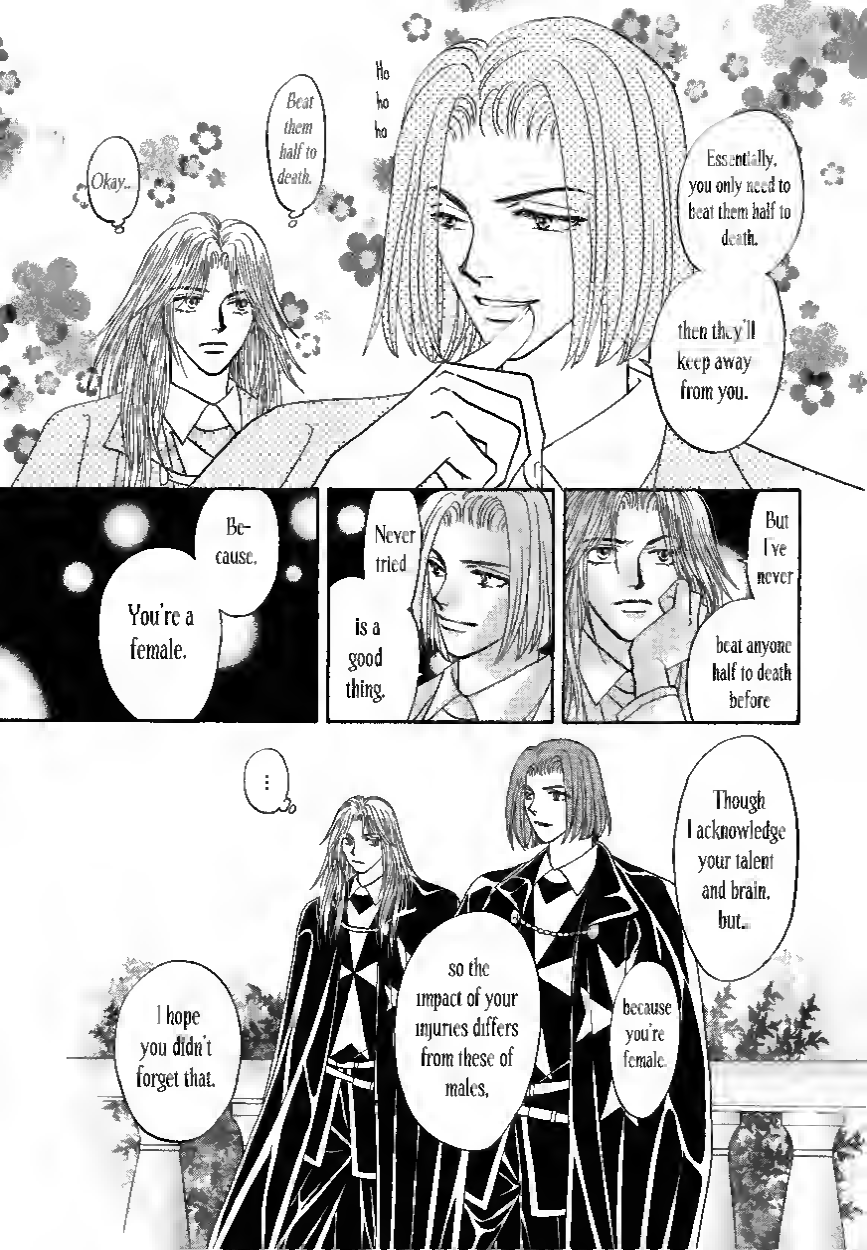
slump...
...
Whatever... makes you happy
SORRY, LUCAS.
Please take care of us, landlord.
Lucas-senpai's house is so pretty. I like!
Can finally move from my previous place!
Wow~ Moving, moving!
I go look for one now
Then...the remaining member.
!!
I'LL GO CATCH AN ITALIAN TO BRING BACK!
Hey, Aciel, wait, what are you doing?!
Catch ?
That.. Lucas-sama.
Actually this letter
A letter..
What is it John?
Sorry, it was mixed in with other junk...
seems to be from 3 days ago
Doesn't matter, since it's not some important letter
SHOCK!

Shoot...
Lucas.
What?
That guy,
is back.
And... his ship is arriving today.
Crap!
It's that guy?
That guy
ARGH

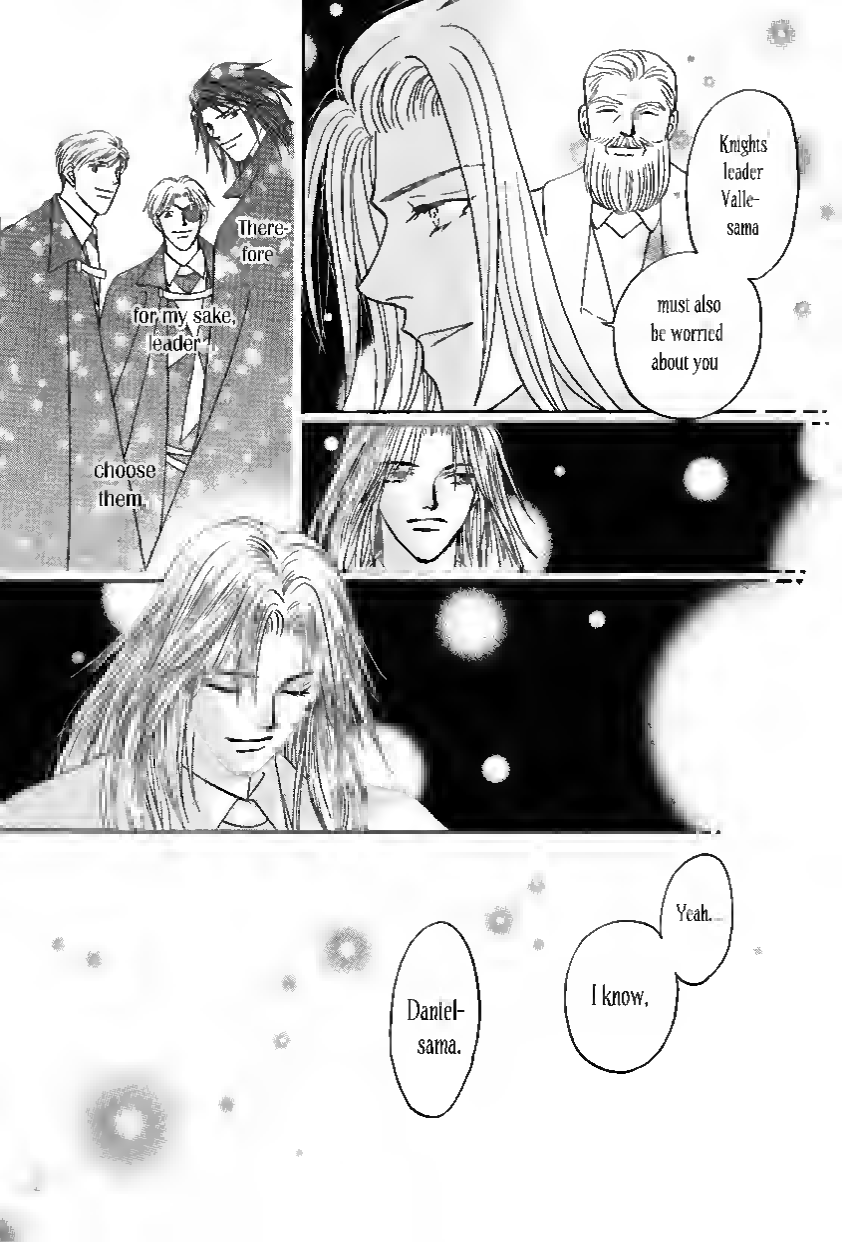
SHINE...
Aciel,
is going to meet him.

Not from our branch, right?
It's that!
He.. heavens, super beauty..
Heard she's really talented.
The beauty from France.
What, you guys don't know?
Eh?
It's an honour to be able to meet you
Welcome, welcome, beautiful lady,
HE GOT BASHED.
Too fierce, the branch's best sweet-talker Marcello went!
He's brave, but has no tact...
He's trying to butter Archangel Michael up!
AH!
WHO'S THIS GUY?
Would you like to come to my place for a cup of tea..
Even the god of beauty is outshined by you.
You look even more dazzling today.

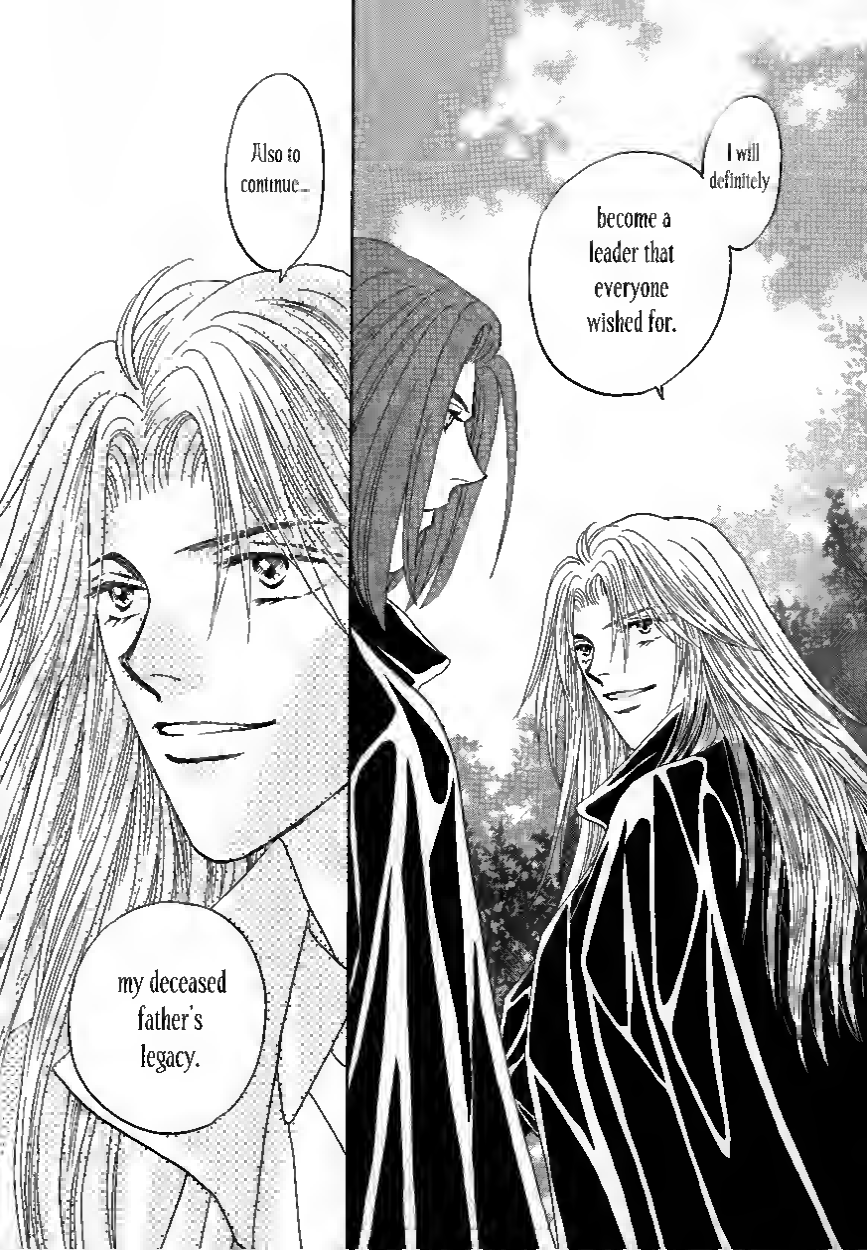
Daniel-sama.
Italian men are...
more weak than you can believe
Aciel.
Here to scout so soon?
Daniel-sama.
Useless guys would be useless to the end.
Italians like to chase after romance.
As you can see.
So basically, they're rubbish
he only drinks with selected person.
That's why.
it's even scarier after drinking.
I'm obviously male, but I've been ambushed by members a few times.
And they have no morals.
Ho ho!
it was amusing to see you discipline that rude guy.
But,



Okay..
Beat them half to death.
Ho ho ho
Essentially, you only need to beat them half to death.
then they'll keep away from you.
But I've never
beat anyone half to death before
Never tried
is a good thing.
Because,
You're a female.
Though I acknowledge your talent and brain, but..
because you're female.
so the impact of your injuries differs from these of males,
I hope you didn't forget that.
:



There-
fore
for my sake,
leader!
choose
them.
Knights
leader
Valle-
sama
must also
be worried
about you
Yeah...
I know,
Daniel-
sama.



I will definitely become a leader that everyone wished for.
Also to continue...
my deceased father's legacy.

what wish he wants to achieve,
since he passed away so suddenly three years ago.
I can't directly ask my father.
FLAP
If I could, I really want to..
return to three years ago,
FLAP
to see him.

A hawk?

He's my younger brother.
Aciel.

That's right, Aciel.
This guy?
Branch vice commander?
You're still a branch vice commander you know
Hercules.
You're finally back, after disappearing without a word three months ago...
I sense a storm.
Since just then, you.
How do you know my name?
isn't that the goddess name?
Real name of Aschera
the native goddess of Phoenicia
THIS MAN!
This way you'll be interested in me, right?
I won't tell you why I know.

CLANG
They are fast...
From drawing to battling, they're fairly equal.
I remember that.
SFX: CLANG CLANG
I have never seen this force, before in practice.
Lucas... is ranked number one in sword, because of this talent?

SFX: CLANG!
SFX: BANG BANG
his kind of sword skills and those reactions.

Ah, if that happened
then it was only your destiny!
Ah,
...yeah.
This really is not like me.

Ah, the length is all wasted now!
Ciel!
Can't it be...
because of "that"?
Some...
messing
...annoying issues appeared!
Eh?
This thing...
...take it!

WHAT?
Eh?
* Or so he can die soon huh.
You can place him in front when planning an attack.*
What are you saying?
Don't un-
Hey,
but as you can see he s strong at sword fighting.
Thought his personality is faulty
Ah . ah...
He said it!
Though he looks like this, he is ranked equal first with Lucas at the sword fighting competition. ♡

That,
I'LL TAKE HIM FOR NOW.
A
Thought I might return him later

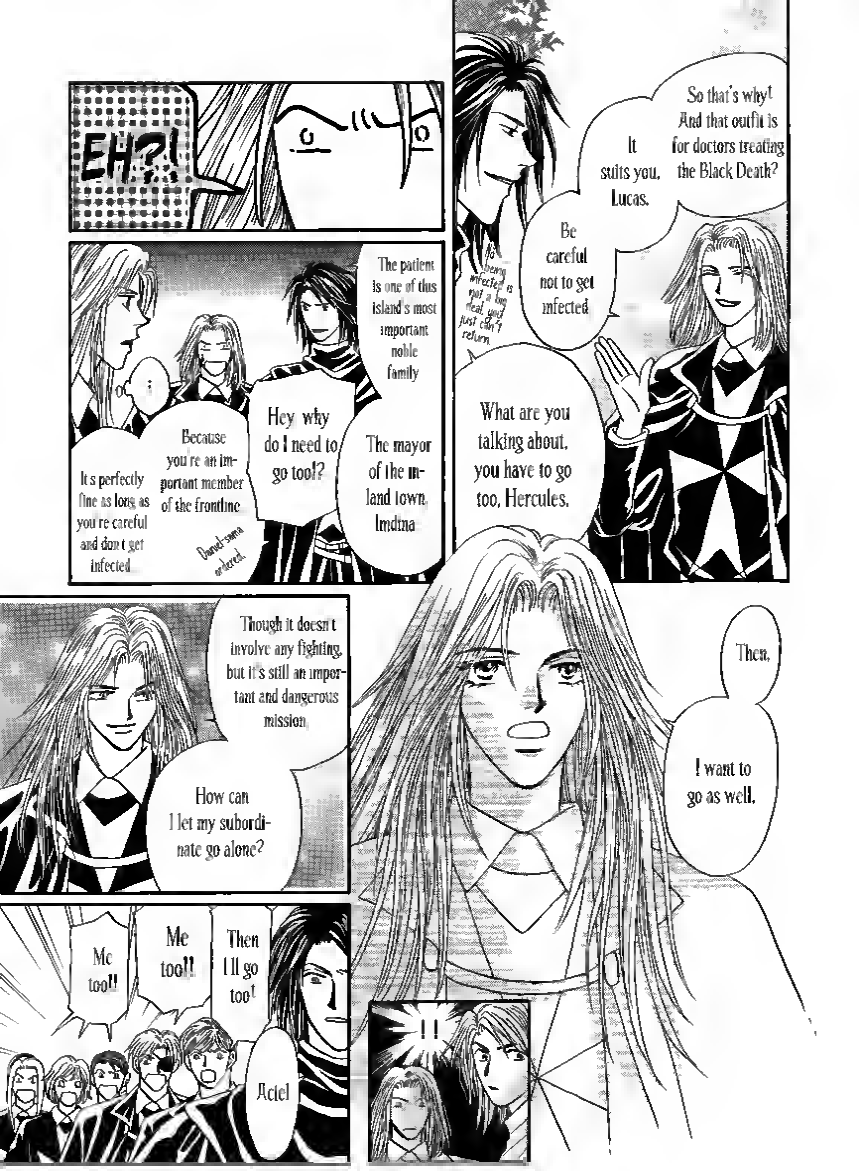
But... but, no matter what...
From mature adult charismatic men to the cute, adorable type, what a sight for sore eyes!
Gentleman, playboy...it's so hard to choose!
It's like I'm dreaming. This place seems to have actually turned into a branch dorm
The knights who moved in today are all so handsome!
If it's real then it'll be a serious problem
Coughing, fever and most importantly black buboes. **
Oh, no... If the news spreads through the island, there'll be panic
According to the medical assistant's statements, there is a high possibility that the patient is suffering from Black Death.
The Black Death...?*
ACIEL-SAMA IS STILL THE BEST!

** T/N from wikt: a bube is a swelling of the lymph nodes and looks like a huge blister

* T/N The Black Death, or Bubonic Plague, was one of the most devastating pandemics in human history, peaking in Europe between 1348 and 1350, and killing between 75 million and 200 million people. It took 150 years for Europe's population to recover. The plague reoccurred occasionally in Europe until the 19th century.



So that's why! And that outfit is for doctors treating the Black Death?
It suits you, Lucas.
Be careful not to get infected
What are you talking about, you have to go too, Hercules.
No chance whatever is just a bad cold, you'll just catch it & return
EH?!
The patient is one of this island's most important noble family
The mayor of the inland town, Imdina
Hey why do I need to go too!?
Because you're an important member of the frontline
It's perfectly fine as long as you're careful and don't get infected
Daniel-sama ordered.
Though it doesn't involve any fighting, but it's still an important and dangerous mission
How can I let my subordinate go alone?
Then,
I want to go as well.
!!
Me too!!
Me too!!
Then I'll go too!
Aciel

Team Zica Credits *Ever Kid* proofreaded again^^ Thank you for a great and fast work!

What a joke, for the highly esteemed European nobles
to have to pay their respects to the rural nobles of this small island. . really.
Every generation of the Knights' leader pay their respect to the nobles
and would go to Imdina to greet them when they succeed the role.
You're the worst!
What did I do wrong?
Maybe.
Eh? Why?
We're here
The town of Imdina.

You said the Knights of St John are here?
Please calm down, Miss Fana...
These people...!
I said No!
The best and most famous doctor in Europe, they came for your father...
Though they are knights, one of them is a doctor.

Lucas...
We're on a mission, we can't get sick.
We never thought of you as idiots!

As long as the patient survives, we will take care of him in shifts.
Please understand, Miss Fana.

and yet you are willing to take care of him

Our status.. is too different

It... was just a dream. .

Is it because I'm dirty?

Miss Fana.

SFX : GENTLY
Don't do that to yourself.
Aciel-sama.

It's okay even if I get infected
!!
If a fellow Knight of St John hurted you...
...at least allow me to comfort you with my arms
doki
Don't, you can't, Aciel-sama!
You'll be infected as well!
Let go!

Hurting girls isn't what knights should do
Hair with a floral scent,
is gently caressing my cheek.

Annoying... I just had my heart broken,
yet my heart is moved again
Aciel-sama...
I feel ashamed as a fellow knight.
WHAT
ACIEL
HAVING A REN-DEZ-VOUS?

Lucas, you come at the right time.
Please diagnose Miss Fana.
...
Infected?
She seems to be infected.
A last one.
black dot...
on my wrist.
Violent coughing and feeling weak.
COUGH

You will be dead in three days, if fast, and seven days, if slow.
It's a pity.
So that's it.
the symptoms of Black Death.
EH?
That quick...!
That's right that's the average speed of the development of the Black Death's symptoms.
B...but, father already passed 20 days and yet...
LILA OLVES
You've got to use oil
Ah it vanished!
This black dot can't be cleaned by water alone.
Lucas,
is it...
Most likely, someone snuck into your bedroom and drew that while you were sleeping.
The paint is asphalt and can't be cleaned using water.
Dissolved into thick black oil.
I assume that the coughing and tiredness are caused by poisons slipped into the water.

I heard ..
Eh?
Really? That last?
but Miss Fana also suddenly collapsed and shall not get up anymore
this is hard to explain
And
Hm.

But since .
The cause of death is unclear we want to bring the body back to the knight's hospital.
Then, that means, from today onwards, everything is mine...
That's very lucky.
didn't think that Fana would also be taken care of already.
AHH
for autopsy.
to check the body
Right...miss was careful yet she still got infected and passed away.
But why are you completely unharmed?
T...that's because of God's protection...
!!
Meaning, you're safe because you're a model wife?
No, the body can't be transported.
Why?
And clearly the daughter was also infected...!
The cause of death is obviously Black Death!
SFX: SLIP

The evidence is here
You need to improve on your lies old hag.
We found this bottle of asphalt in your secretary's room.
and this bottle of poison
These people...
They have 3 people, we have 15
Mis-tress.
Mark.
It's not lik.. that, right?
You know very well that those two weren t infected by Black Death.

KA-CHING
all died suffering from Black Death.
SFX : SURPRISE
Eh?

You can free me from my boredom.
I'm feeling quite stressed, from wearing that bird mask for so long.
OK, Hercules.

you can leave any leftovers for me.

Imdina's noble Miss Fana,

Why, why are the knights... always like this??
ACIEL-SAMA!
IT DOESN'T MATTER IF YOU'RE FEMALE,
SERIOUS?
I WILL STAY BY YOUR SIDE FOR THE REST OF MY LIFE!
BOY
After that,
the relationship between the Knights and the local nobles quickly improved.
So then, that's good
It seems like it was all thanks to Aciel

Aciel swings that way?
How interesting
Another rival?
I will move into and work at the branch dorm!
Hey...
Alright!

Don't decide by yourself before asking me!

"BOSS OF A DELICIOUS RAMEN SHOP WHO PROVIDES MEALS"~

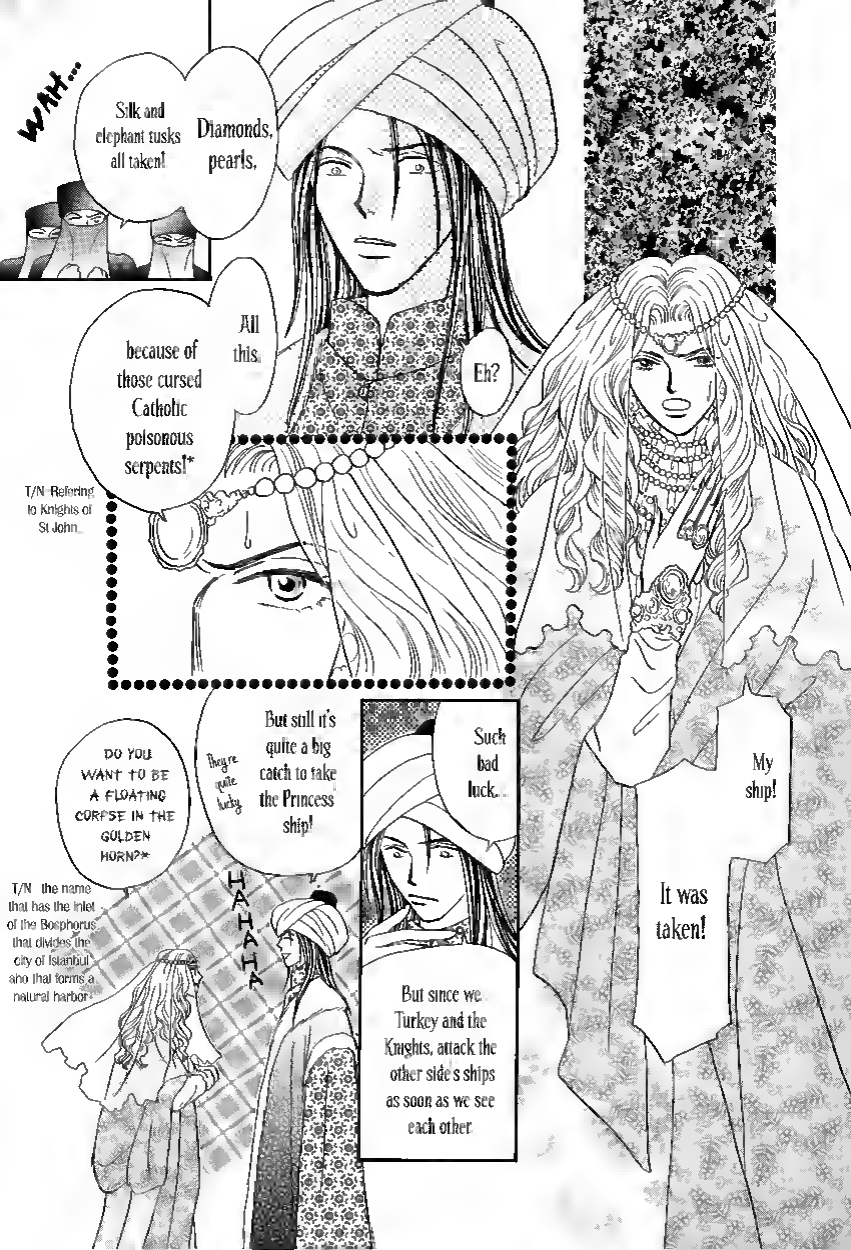
Eh?
Ariel must likely won't do it...
Fiorentina in charge of being the cute girl waitress
Sorry for the wait!

Soku-
llu!
You can't even hear me calling.
what are you so absorbed in reading?
Third Vizir Sokullu Mehmed Pasha.*
Princess Mihri-mah.
You... look like you're in a good mood.
Are you blind? I look like I'm in a good mood?

* At the time he was Third Vizir (it was fourth importance rank but he was rising through the ranks of the Ottoman imperial system. Both characters are historical and you can go check them in wikipedia.)



WAH...
Silk and elephant tusks all taken!
Diamonds, pearls,
All this,
because of those cursed Catholic poisonous serpents!*
T/N Refering to Knights of St John
Eh?
My ship!
It was taken!
Such bad luck...
But still it's quite a big catch to take the Princess' ship!
They're quite lucky.
DO YOU WANT TO BE A FLOATING CORPSE IN THE GOLDEN HORN?*
T/N the name that has the inlet of the Bosphorus that divides the city of Istanbul, and that forms a natural harbor.
HAHAHA
But since we Turkey and the Knights, attack the other side's ships as soon as we see each other

Those Knights of St John are looking down on you!
My honourable father – Suleiman will lose his dignity!
After all you are the Third chancellor of the Ottoman Empire, right?
Please be more motivated, Sokullu
He
flap...
On the other hand I have a lot of helpers
I am serious.
I WILL MAKE YOU INTO A FLOATING CORPSE AT THE GOLDEN HORN
A pity I get seasick.
So I can't fight at sea.

That's just crazy
Yes
The old leader of the Knights, La Valette, is going senile.
What's more surprising,
is that he even appointed that female knight as a branch commander and set up a 9th branch.
One of them brought back some intelligence...
about a female knight who has been initiated on Malta Island.
CHATTER...
!!

I must make them pay
for stealing my ship.
Bring that...
female knight here.
Yes
I want to see how she looks like.

There's a spy.

Thank you. Said doctor.
I only said it because it's you
Name?
I don't know any details, but that's the secret of secrets.
If anyone knew I told you that, I will be skinned alive.
A SPY ...?!
What a huge scandal!
...
And they're hidden in the knights?
Too deceitful!
Lucas,
what does the leader of the knights think?

The search is entirely in the hands of the 9th branch... basically,
it looks like it's the duty of branch commander Aciel.
To avoid the knights being overly suspicious of one another, it's a highly classified secret between the 8 of us
only eight people?
And you and I are included.
What a mess!
Isn't it too. .
Aciel

Team Zoa Credits: *Ever Kid* proofreaded Thank you for working despite being so busy with studies ^^

In 3 days,
we will catch the spy hidden in the Knights!
It's "3 days wasted"!
Not "3 days only"!
3 days only!!
...ah...
glup
CHATTER...
When we know there is a spy, how can we just leave him!
The spy could already leak important intelligence about the Knights to the enemy!
When we're discussing things like just now.

We are the...
"Malta Army".
Although we are only a small branch with eight members right now
after being labelled with that title, don't you think that we will be able to do whatever an army of 5000 soldiers can do?
We
can do it.

Does she know...?
Or does she not sense it at all?
Yes! She is a respectable superior.

This room is only for branch members.
PLEASE ALLOW ME TO HELP!
I BEG YOU, ACIEL-SAMA!
Can't help it then
Everyone's thinking it, but not saying it.
MUTTER
You'll be heard, Hercules
THIS GIRL. IS SHE DAMAGED IN THE HEAD?

Head in the clouds
So strong.
The air is full of love hearts!
That's Aciel's magic power.
The whole room turned pink.
YES!
I UNDERSTAND
Then, since we still need to discuss the battle plan
Can you please help us make some delicious tea?
And everything you heard in this meeting room is all top secret, understand?
Hey, Lucas, are you just going to give Aciel away to the women?
Seriously.
Don't ask me about these things!
Hercules...
We must capture the spy before Monday morning 10 o'clock.
The time now is 10 o'clock on Friday morning.
The plan lasts for 3 days
Eh?!
next I will tell you what each person needs to do
Then.
Understood!

Oh!
We should make the plan first,
otherwise we'll only waste time trying to figure everything out!
But Aciel,
Blocked by Aciel Light
"Eh?" What does that mean?
EH?!
The battle plan is already decided.
Even if it was fortune telling, I would still need more time!
Didn't we only hear about this 30 minutes ago?
W... WHEN?
my father taught me how.
I can calculate it all in my head in 10 minutes.

So,
First is Lucas' mission.
What an irritating laughter
Women with a good head, great charisma are not bad!
When Miss Fana brought the tea,
I was mentally working on the plan.
Ciel...
Yes!
Fantastic!
Too awesome, Ciel-sama!!
is the Turkish pirate staying in the hospital.
The person who provided the information about the spy
That is to say,
This person, not only in fighting, but the way her brain works is also scary!
I want you to execute him by the end of the day.

SFX : WAVES SOUNDS
Uh...
Send me another difficult mission...
...please tell the vizir... I wish him well.
I understand.

The 9th branch is handing out urgent notices to all Knights!
Please spread the message to fellow Knights of all branches!
The member selection takes place at the estate of vice leader Lucas formally of the German branch, tomorrow morning at 8!
The 9th branch is recruiting!
Please join us!
Oh
Branch commander Aciel!
Work together with the genius female knight!
PLEASE COME!
WE REQUIRE MEMBERS WHO ARE NOT AFRAID TO TAKE ON DANGEROUS AND DIFFICULT MISSIONS!
The branch commander is the famous Aciel-sama, they say this is the Knights of St John's latest experiment.
They gathered Lucas from the Germany branch, Augustine from England, Captain Juan from Aragon, Hercules from Italy...
The 9th branch?
What's with all the yelling?
Moreover how these guys handing out the flyers managed to enter is still a mystery
WOAH, ISN'T THIS A COLLECTION OF ELITES!
It's that! The new branch led by the rumoured Arch Angel Michael

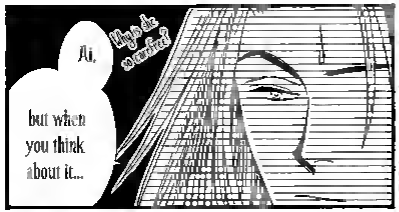
Team Zica Credits: *Eb* Checked Quality Thank you!

Since they could join it's possible that we stand a chance too!
Me too!
How is it? Do you want to go try?
Yeah, I'm interested!
Aciel-sama's branch?
But
It's easier than having to carry out the execution!
Yup.
I pity you, Lucas.
And we need to finish before tomorrow.
You really know how to order people around, Aciel
We need to investigate all of the records of all the sailors passengers and luggage that entered and left Malta Island in the past year
mumble mumble mumble
Here there's more
SFX : PLOMP
!!

SFX: WHISH - THUMP

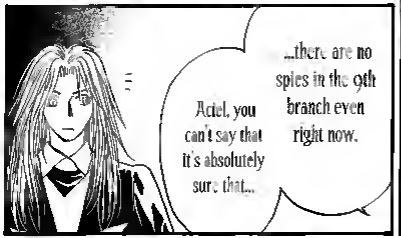
Yup I'm good
the similar heights and the sharp cut
I'm going to slice every participant of the member selection tomorrow in half like this.
Hey Hercules.
I'm asking you to examine the participants sword skills
not to give them fatal injuries!
You need to take the mission seriously tomorrow
and win without injuring the opponent
Because I believe you have that kind of patience.
Yup!
Thank you for your inspiring words
branch commander
Then
when this is all over
please present this slave of love, working hard in the name of love, a kiss
CHU
Eh
A promise kiss imprinted on your hand first

If you can't do it without a reward,
Then I'll give this job to Lucas.
You go to check the logbooks with Captain Juan and the rest.
NO! PLEASE LET ME DO IT!
Why would I mistake this play-boy
as my father in that brief moment when I first saw his face?
I'll do my job well tomorrow!
As valiant Tear!
He has no morals at all
Lighting?
Only
I suddenly remember something good.
Right now, we, the 9th branch, are the most famous in the Knights.
with our courageous branch commander recruiting new members
we're in the spotlight before the whole 600 members of the Knights!
If I was a spy I'd want to use this opportunity to infiltrate this
new branch which is very likely going to be appointed with important missions in the future!
Well
the member selection is not only to lure the spy out
I plan to use this chance to look for some new members
Since we have very few people.
?!

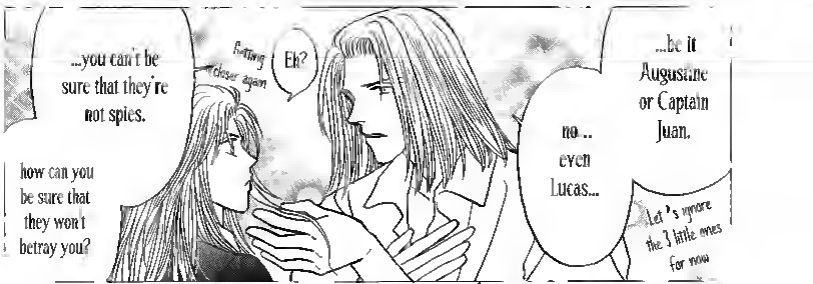


Ah,
but when you think about it...
Why is he so worried?

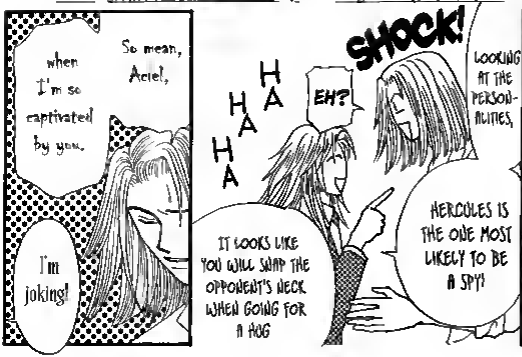
Wait a minute...
What if.... you accidentally end up recruiting the spy?
Ariel,
Uh, yup...
If the spy is that good at lying, this could happen!



Ariel, you can't say that it's absolutely sure that...
...there are no spies in the 9th branch even right now.



...you can't be sure that they're not spies.
how can you be sure that they won't betray you?
Eh?
Getting closer again
no... even Lucas...
...be it Augustine or Captain Juan,
Let's ignore the 3 little ones for now



So mean, Ariel,
when I'm so captivated by you.
I'm joking!
HA HA HA
EH?
SHOCK!
IT LOOKS LIKE YOU WILL SNAP THE OPPONENT'S NECK WHEN GOING FOR A HUG
LOOKING AT THE PERSONALITIES,
HERCULES IS THE ONE MOST LIKELY TO BE A SPY!
...

I never said anything about love – right?
Clean your ears
It's mutual love!
So that's it!
Aciel also has feelings for me–
Right.
When we're finding the spy...
...should rely on instincts, right?
...the last step...
If I didn't trust you,
we wouldn't be working together now.

Don't worry
What if our instincts are wrong?
Then ...
Yup
Instinct
Instincts?
My instinct
will absolutely not go wrong.
That's to say
the key to victory is Instinct.
THUD

Sending you to do such a painful job.
I'm sorry...

Please forgive me.

Hercules seems to have misunderstood something!

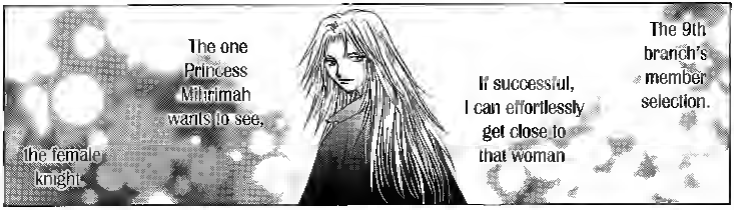
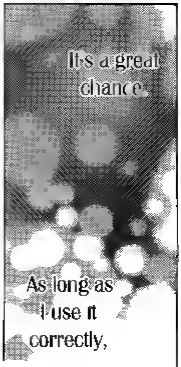
Im comforting my depressed subordinate
Already sent him to a safe place that no one knows about.
Is that so?
mumble
mumble
And then?
Where is he?
How was it?
mumble
Very successful
even the hospital staff believes that Said was executed
You're a doctor with a deep sense of sympathy.
even though it was an enemy it must have been painful to have to kill a patient!
Aete!
why...
is do you treat me like this?

Then allow me to act weak!
Uh.. eh..
TIGHTEN...
Aciel...
CLATTER!
Said knew it was dangerous, yet he still told us what he knew,
to avoid revenge, protecting him is our first priority
And because of this,
even our companions must not know of this
Really want to dissect you. ♡
She could actually make a plan this detailed in such a short time
What sort of a brain does this person have?
stroke...
AH?

It looks like our Laurence entered it
No... should be about personality right?
What do you think?
Tomorrow's member selection
I'm going!
It should be mainly about swordplay yeah?



The one Princess Mihrimah wants to see,
the female knight
If successful, I can effortlessly get close to that woman
The 9th branch's member selection.



I might be able to complete the Vizir's mission by Monday

...astonishing!
There's so many people gathered here!
Let's just go for it and fight.
The request to not injure anyone is too strict
it'll be a lot easier—
There's too many of them.
It's all because Ariel's amazing popularity
All thanks to you three and your announcement.
ARIEL!
I didn't think there would be so many people
Incredible
I hope it all goes well!
THAT'S RIGHT!
TEAM LEADER ANTONIO IS HERE AS WELL!
AH!
Ah... the one who lost against Ariel in the 50 kilometres marathon.

pops in
Look, that side
team leader's right side.
Who?
Brown hair.
tall figure.
The one next to him is...
a vice branch commander!
Eh
an important figure!
!!
Vice commander of the Leon of Castile branch.
Enrique de Marcos.

EH?
Aciel!
Branch commander!
It's... him.
It's shocking that such a figure also wants to enter the branch
10th in the sword fighting competition.
That person is smart and his swordplay is good too

Hercules!
Lucas!
I found it!
It's him?
So
what is it that makes you think it's him?
No way?
Instinct.
What's so suspicious about him?
Enrique de Marcos is more loyal than Augustine!

SLIDES...
My instinct for victory,
Let me fight him!
Aciel...
Crossing swords,
is the best way to find out your opponent's true nature
tells me he's the mole.
LILA WOLVES

JABBER
JABBER
JABBER
Fellow knights,
for so many people to join the 9th branch member selection today, even though it was a rushed event
thank you very much.
Though we want to start the exam immediately, there are too many people.
Those from the 4 branches of Germany, England, Italy and Leon of Castile will be tested by branch commander Aciel.
That's all
Those from the 4 branches of Aragon, Auvergne, France and Provence will be tested by Hercules de Harise.
SFX: JABBER
People who have no objections please join the selection!
He said the Italian branch's vice commander Hercules?
I'm from England, so I'm against Archangel Michael!!
HE HE HE

What kind of opening speech is that?
THEN I CAN ONLY...
in advance

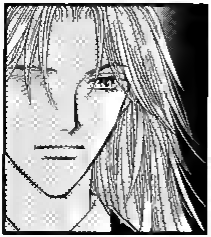
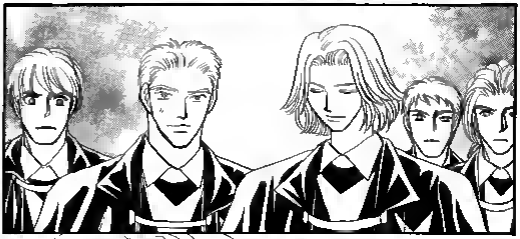
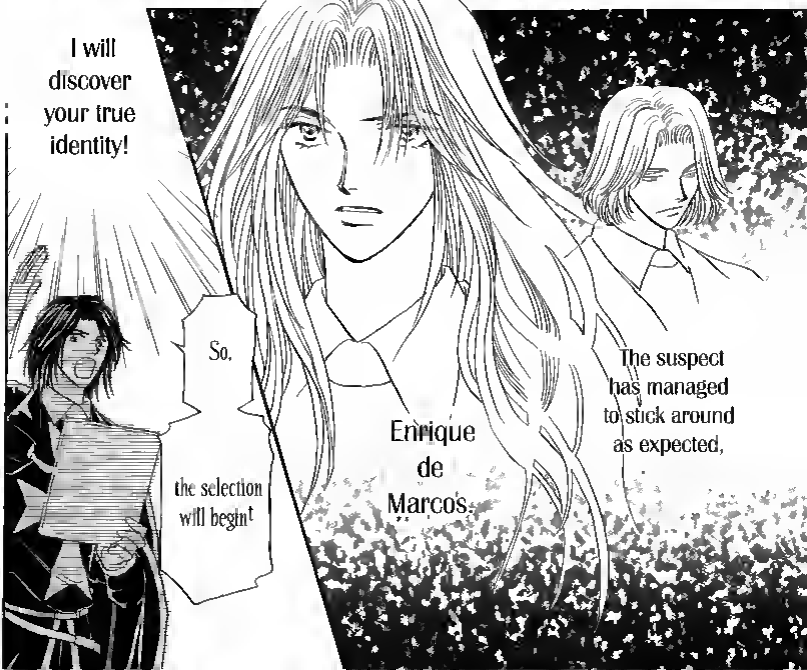
Please guide me along!
Oh so pretty!

There re also 5 on Aciel's side and that's all
A lot left so quickly.
Uh, then,
5 left on Hercules's side.

SNEAK AWAY
She looks so pretty but she's too strong.
Me too
Me too
I give up
Why?
I said I was going to be easy.







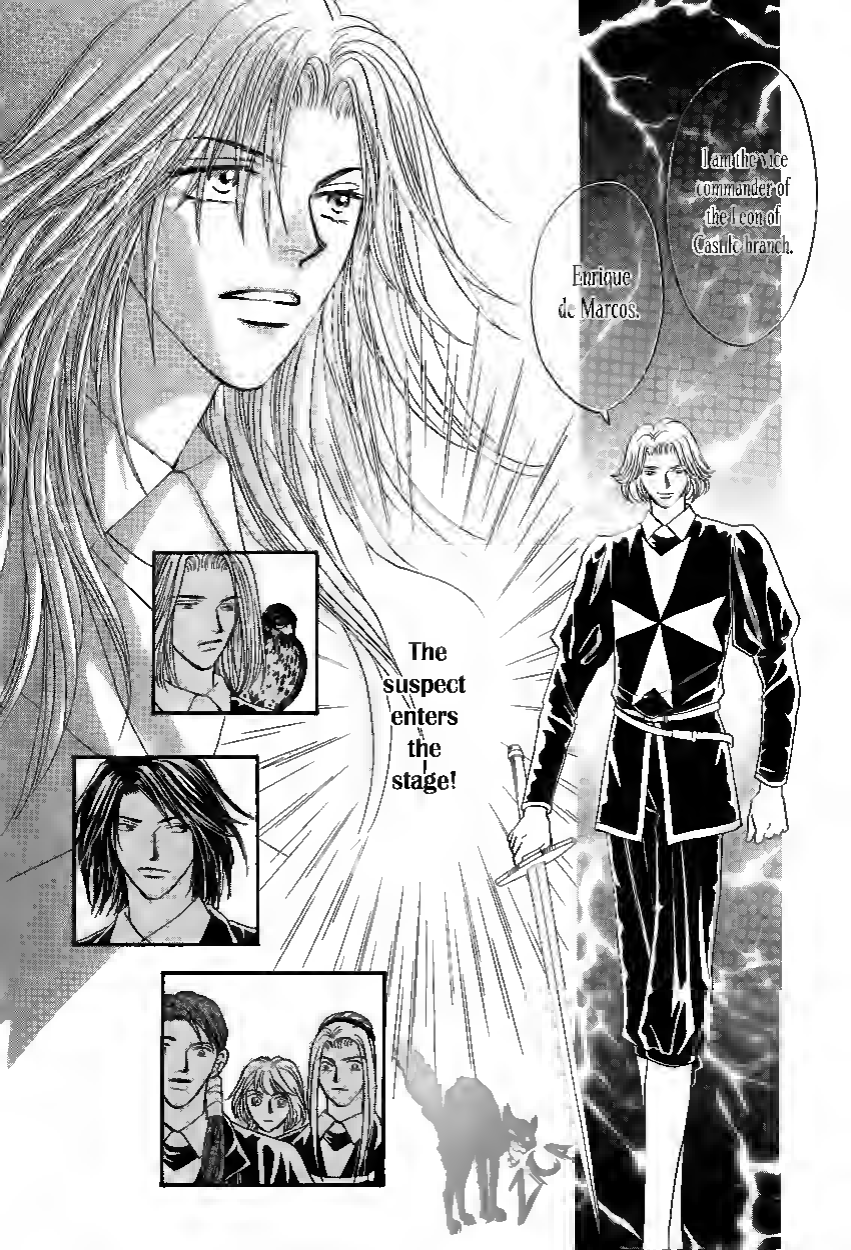
I will discover your true identity!
So,
the selection will begin!
Enrique de Marcos.
The suspect has managed to stick around as expected,

worked overnight
Hey,
Otranto, along the coast of the Adriatic Sea. *
Really, where is it headed?
and so it doesn't have to be checked before crossing the border.
This regular cargo ship is signed in by a branch commander every time...
flap flap flap
all went to Otranto
This... and this also
What is this? Look..
The hub of Ottoman Turkey is also on the coast of the Adriatic Sea.. right?
Who did such a thing...?
It was signed in with the name of the Leon of Castile branch commander...
That.

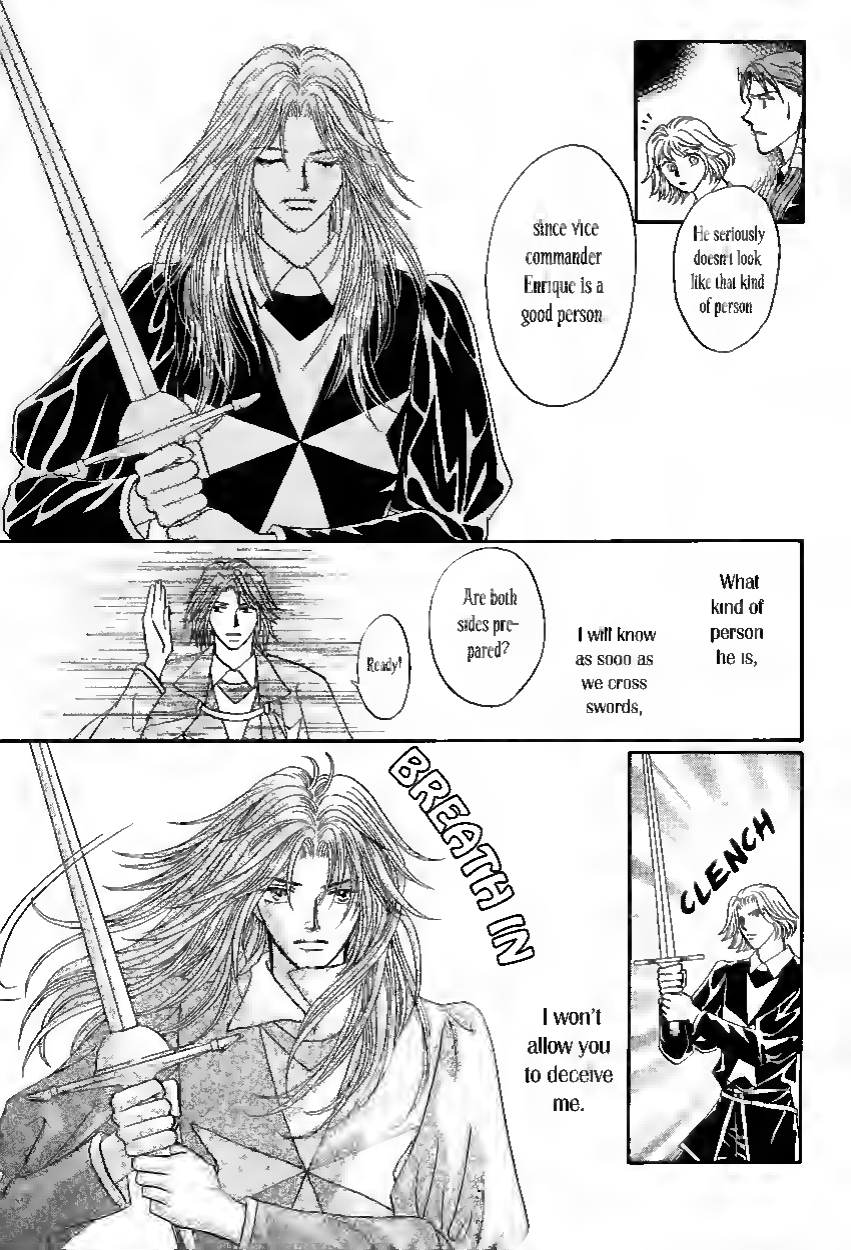
T/N: Otranto is an Italian city at the end of the heel of the Italy 'boot' on a map, and the Adriatic Sea is the sea on the back side of the 'boot'.

should be someone in the Leon of Castle branch, right?
And that person should have a fairly high position too.
SFX WHOOSH
I accept my defeat!
Ahh.
Hi...
But I still didn't injure anyone yet!
That's it?
Eh?
I even let you go 3 on 1 since you were fellow knights...
Since we can't win anyway.
It's okay already.
Ah...
Thanks for your guidance.

CLANG!!
How is Aciel's group going?
Uh, then...
Hercules's group's selection is finished!
But even one left...
Ah, as expected
I can't beat you!
Your strength is incredible as well.
Thank you, team leader Antonio
I...
I lost...
Sorry for the wait
next.
Thanks for your hard work.



I am the vice commander of the Icon of Casulo branch.
Enrique de Marcos.
The suspect enters the stage!



since vice commander Enrique is a good person
He seriously doesn't look like that kind of person
What kind of person he is,
I will know as sooo as we cross swords,
Are both sides prepared?

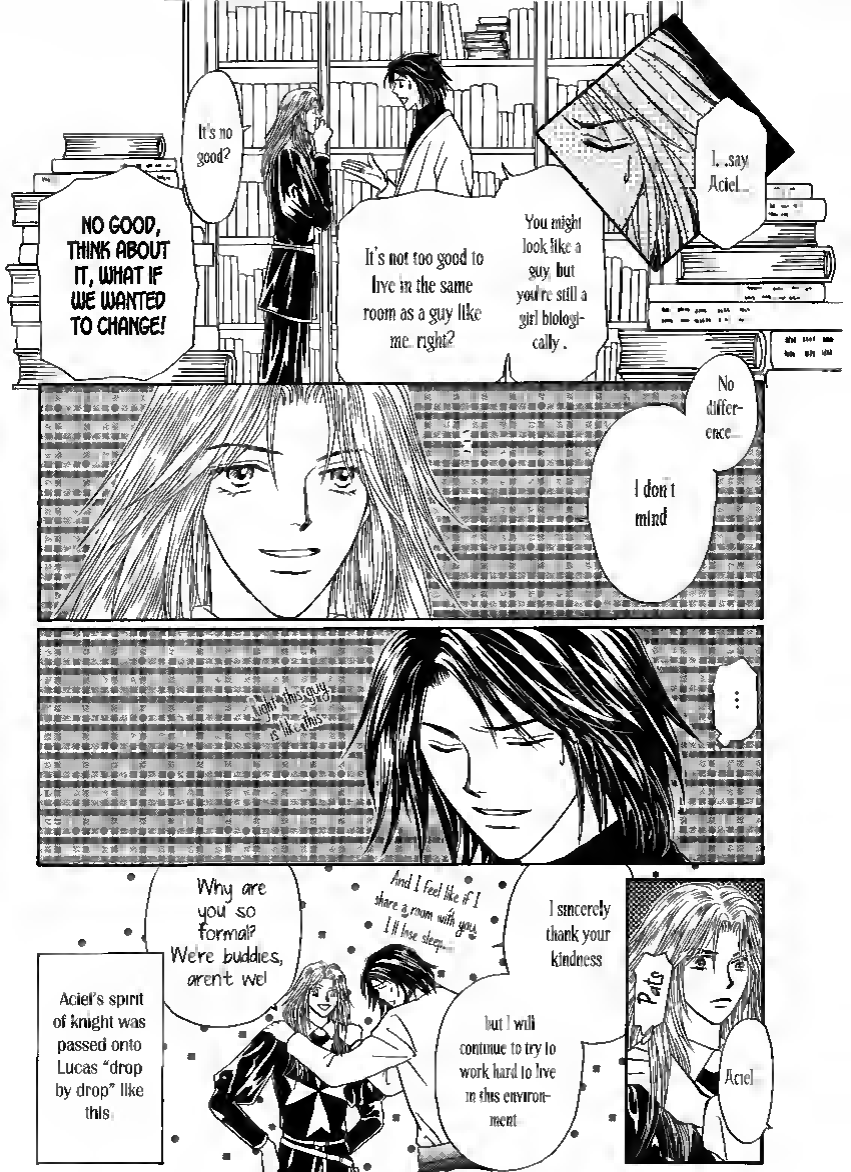
The 9th branch is starting to function
with Lucas mansion as the branch dorm, the communal lives of the 8 members begin
But that also means that Lucas' stable life is basically over.
Ah, what are you crying about, brats!
Look, he's crying.
Hercules-senpai cheated when we were gambling with cards!
Tell John that he needs to replace it.
If you wish.
Lucas
can I drink this bottle of white wine?
Lucas, the candle in my room is finished.
Maybe I should go and find another place to live...
Lucas is a knight and a doctor,
I can't even read quietly in peace
Even since these guys came
So he is very worn out
Hippokrates
LILA WOLVES

Because he couldn't decide, he tried to consult with his superior
You want to rent a house outside?
That's right.
You haven't lived in a branch dorm since you entered the German branch, right?
And I also want to dissect
I really want some time alone to be able to read quietly
Think about it, I'm a doctor
I've lived alone even since the 2nd year I entered the branch, so basically I'm not used to living with others!
I joined the Knights of St John originally because I want to study medicine.
Then you have to get used to it!
Yup
EH?

From tonight onwards,
I will temporarily live in your room.
W...W...
WHY...HOW DID THINGS TURN OUT LIKE THIS?
Living in the same room with another person is very difficult, yeah?
Having to go to sleep and wake up with another person, it's very restricting.
experience that lifestyle for 2~3 months and when you return to an individual room.
And you won't mind the other 6 people anymore.
IT'LL FEEL LIKE HEAVEN!



NO GOOD, THINK ABOUT IT, WHAT IF WE WANTED TO CHANGE!
It's no good?
It's not too good to live in the same room as a guy like me, right?
You might look like a guy, but you're still a girl biologically.
I...say Ariel...
No difference...
I don't mind
Light-hearted guy is like this
...
Why are you so formal? We're buddies, aren't we!
And I feel like if I share a room with you, I'll lose sleep...
I sincerely thank your kindness
but I will continue to try to work hard to live in this environment
Pats
Ariel
Ariel's spirit of knight was passed onto Lucas "drop by drop" like this.
